

North Los Angeles County Regional Center

Invites You To Attend The Purchase Of Services (POS) Expenditure Data By Age, Race or Ethnicity, Language, Residence, and Disability Community Meeting

The Lanterman Act was amended on June 27, 2012, requiring that the California Department of Developmental Services (DDS) and Regional Centers collaborate on an annual basis, to compile data on purchase of service authorization, utilization, and expenditure by each regional center with respect to consumer age, race or ethnicity, primary language and disability detail.

Regional centers and DDS are required to post this data, including the number and percent of consumers who are eligible for regional center services but are not receiving purchased services, on our web site. NLACRC's data can be found at www.nlacrc.org under the Governance section, Transparency & Accountability page.

These Purchase of Services (POS) Expenditure Reports will be reviewed at community meetings to be held on Thursday, March 23rd at 6:30 p.m. at the NLACRC Chatsworth office or Thursday, March 30th at 6:30 p.m. at the NLACRC Lancaster office.
